OHIO
the heart of it all!

1984 OHIO BICYCLE EVENTS CALENDAR

Whether your interest is a leisurely family outing, the thrill of a bicycle moto-cross (BMX) competition, the challenge of a century ride, the excitement of Olympic-style competition, or the pageantry of an antique bicycle demonstration, Ohio is for you! Listed below are scores of Ohio bicycle events planned for the 1984 season. The symbol in front of the date indicates the type of event:

- ★ **Bicycle tours** are organized, non-competitive group rides for cyclists of all ages and abilities. Routes vary in length from 10-100 miles. Services such as maps, food stops, patch, and emergency road service are usually provided.
- **Bicycle moto-cross races** feature 20"-wheeled bicycles competing on a short, dirt track full of obstacles. BMX began as a youth sport but now attracts adults, as well.
- **Olympic-style bicycle races** emphasize endurance. Men and women race full-size bikes for distances of up to 100 miles.
- ☆ **Rallies & overnights** involve two or more days of bicycling. Overnights often visit area points of interest. Rallies feature workshops, speakers, and other special events, in addition to cycling.
- **Triathalons** combine bicycling with running and swimming or canoeing. Individuals or teams may compete.

The Ohio Bicycle Events Calendar is a service of the Ohio Bicycle Federation, 1980 Kettering Tower, Dayton, 45423-1980, Tel: 513-226-1444. OBF is a non-profit, membership organization established to promote bicycling in Ohio for transportation, recreation and, health.
